

Inner Journalist

Take a photo, write a report, do a news feature, interview your family... something that could work in a newsletter or media feature. Could be in print, could be audio for scout radio, it could be a video for facebook.

Equipment

- Pens and Paper
- Maybe a computer
- Maybe a camera
- Maybe a video camera

Requirements

Create a news feature about something that interests you, then decide your output media and produce your amazing news feature. If its Audio or Video ensure its edited together. Look online or on the TV for inspiration.

After

Send us your copy, upload your audio or even video

Extra

Can you interview someone? Can you cover something that's been happening over the weekend?
