

Family Camp 2022

Suggested Kit List

This is a guide only based on what we usually ask young people to bring to Camp but we are sure you will also have your own ideas of what you require.

For those attending during the day, we will have a shared tent available which you can use for changing and storage of items which you need to bring with you.

If you need any help or assistance with regard to equipment for the weekend, the Group has a small supply of camping items, as well as plenty of tents, so please ask. We are happy to offer help and advice wherever possible to help make your weekend an enjoyable one.

Warm sweater(s) / jumper or sweatshirt(s) (Nights could be cold)	Tent
