

### Update 3 – Sent 3<sup>rd</sup> August 2025

Dear Squirrels, Beavers, Cubs, Scouts, Explorers, Siblings, Parents and Grand Parents,

Family camp is now next month, preparation is well underway, and we are really looking forward to an amazing weekend with you all, so time for a quick update.

First off, we need to get individual medical and dietary details, as well as permissions for activities, and we need each family group to complete this. It's a single form for the whole family; head to <https://forms.office.com/e/z0TyacUUr3> to complete your family's information. We've tried to make this as simple and concise as possible. Please complete this by 22nd August to allow us time to ensure we cater for any dietary requirements etc.

We've continued to update the frequently asked questions; these can be found at <https://1stpandp.org.uk/family-camp-2025/#FAQ>.

To help you plan, we've shared a suggested kit list and this can be found at <https://1stpandp.org.uk/family-camp-2025/#KitList>.

And if you've not had all our updates due to when you've signed up, the previous updates can be found at <https://1stpandp.org.uk/family-camp-2025/#PreviousUpdates>.

The balance of camp fees is now due and this has been requested via OSM see at [PAYMENTS]. Our DBS marathon continues and, if you've still something to do for this, please help us get these done. We've created our own little backlog in double digits with the local police force currently!

As ever, if there are any questions, please reach out to us,

Thanks

The P&P Family Camp Team
